## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of  
LaCasa of Goshen, Inc. and Subsidiaries  
(An Indiana Not-for-Profit Corporation)

### **Report on the Audit of the Consolidated Financial Statements**

#### **Opinion**

We have audited the accompanying consolidated financial statements of LaCasa of Goshen, Inc. and Subsidiaries, which comprise the consolidated statements of financial position as of December 31, 2025 and 2024, and the related consolidated statements of activities, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of LaCasa of Goshen, Inc. and Subsidiaries as of December 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of LaCasa of Goshen, Inc. and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LaCasa of Goshen, Inc. and Subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LaCasa of Goshen, Inc. and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LaCasa of Goshen, Inc. and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and accompanying supplementary information are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying schedule of expenditures of federal awards and supplementary information are fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 25, 2026, on our consideration of LaCasa of Goshen, Inc. and Subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of LaCasa of Goshen, Inc. and Subsidiaries' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering LaCasa of Goshen, Inc. and Subsidiaries' internal control over financial reporting and compliance.

**Resident and commercial tenant receivable and bad debt policy**

Resident and commercial tenant rent charges for the current month are due on the first of the month. Resident and commercial tenants who are evicted or move out are charged with damages or cleaning fees, if applicable. Resident and commercial tenant receivables consist of amounts due for rents, damages and cleaning fees. The Corporation does not accrue interest on the resident or commercial receivables.

Management periodically reviews resident and commercial tenant receivables and uses an allowance for doubtful accounts to recognize bad debts. Resident and commercial tenant receivables on the consolidated statements of financial position are shown net of the allowance for doubtful accounts, which totaled \$51,217 and \$47,077 at December 31, 2025 and 2024, respectively. Bad debts included in asset and property management in the consolidated statements of activities expensed for the years ended December 31, 2025 and 2024 totaled \$43,084 and \$31,362, respectively.

**Other receivables and bad debt policy**

Mortgages and notes receivable are carried at amounts contractually due, less an allowance for credit losses. Grants receivable consists of formal commitments to provide funding. Pledges receivable consists of written promises to give by donors. Development fees receivable consists of amounts due from related entities for construction development when earned per the development fee agreement and is eliminated in consolidation. The Corporation does not accrue interest on these receivable balances.

Management periodically reviews mortgages, grants, pledges, and development fees receivable and uses an allowance for doubtful accounts to recognize bad debts which totaled \$9,260 and \$7,488 at December 31, 2025 and 2024, respectively. Mortgages, grants, pledges, and development fee receivables on the consolidated statements of financial position is shown net of the allowance for doubtful accounts. Bad debts included in financial empowerment center in the consolidated statements of activities expensed for the years ended December 31, 2025 and 2024 totaled \$1,772 and \$1,405, respectively.

**Notes receivable**

Notes receivable are carried at amounts contractually due, less an allowance for credit losses. The Corporation accrues interest on the note receivable balances.

Management periodically reviews notes receivable and uses an allowance for credit losses to recognize bad debts. Notes receivable on the consolidated statements of financial position is shown net of the allowance for credit losses. There were no bad debts expensed for the years ended December 31, 2025 and 2024. There is no allowance for credit losses as of December 31, 2025 and 2024.

**Property and equipment**

Land, buildings and land improvements, and furniture and equipment are recorded at cost. Depreciation is provided for in amounts sufficient to relate the costs of depreciable assets to operations over their estimated service lives of 7-40 years using the straight-line method. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Depreciation expense for the years ended December 31, 2025 and 2024 was \$1,699,006 and \$1,656,600, respectively.

The Corporation is subject to the provisions of the Impairment or Disposal of Long-Lived Assets topic of the FASB ASC 360-10. Impairment or Disposal of Long-Lived Assets has no retroactive impact on the Corporation's consolidated financial statements. The standard requires impairment losses to be recorded on long-lived assets when indicators of impairment are present and the undiscounted cash flows estimated to be generated by those assets (excluding interest) are less than the carrying amount of the assets. In such cases, the carrying value of assets to be held and used are adjusted to their estimated fair value and assets held for sale are adjusted to their estimated fair value less selling expenses. No impairment loss was recognized during the years ended December 31, 2025 and 2024.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2025 AND 2024**

**Debt issuance costs**

The Corporation is subject to the provisions of the Interest-Imputation of Interest topic of the FASB ASC 835-30 which requires unamortized debt issuance costs to be presented as a reduction of the outstanding debt and the amortization of the debt issuance costs to be presented as a component of interest expense. Generally accepted accounting principles require that the effective yield method be used to amortize debt issuance costs; however, the effect of using the straight-line method is not material to the financial statements for the years ended December 31, 2025 and 2024.

**Donated labor and assets**

In accordance with FASB ASC 958-605, in-kind services are recognized if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Corporation. In addition, the Corporation receives donated services from unpaid volunteers that are essential to the completion of the Corporation's purposes.

Donations of property and equipment and other assets are recorded as revenue at their estimated fair value at the date of donation. Such donations are reported as without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment and other assets are reported as with donor restrictions. Absent donor stipulations regarding how long these donated assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Corporation reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

During the years ended December 31, 2025 and 2024, the Corporation received \$123,238 and \$10,829, respectively, of in-kind contributions included in donated labor and assets on the consolidated statements of activities.

**Compensated absences**

Employees of the Corporation are entitled to paid vacation and paid sick days depending on length of service and other factors. At December 31, 2025 and 2024, accrued compensated absences were \$96,794 and \$77,303, respectively, and are included in accrued expenses and other payables on the consolidated statements of financial position.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2025 AND 2024**

**Rental income**

Rental income is recognized as rents become due. Rental payments received in advance are deferred until earned. All leases between the Corporation or relevant subsidiary and the residents are operating leases under FASB ASC 842 and are not within the scope of FASB ASC 606. All leases will be for terms of no longer than one year. The Corporation also receives rent under commercial leases of terms from one to ten years, some of which provide for increasing noncancelable lease payments. Generally accepted accounting principles require such revenue be recognized over the term of the lease using the straight-line method, when realization is reasonably assured and management follows this method for most leases. However, when the difference in revenue recognition is not material to the consolidated financial statements, management recognizes rental income from commercial leases as payments are due for these leases.

**Grant income**

Grants that the Corporation receives from various government and nongovernmental agencies may have long-term compliance requirements. As management intends to fulfill the compliance requirements as part of their mission, those amounts are recognized as revenue in the period the grants funds were spent for their intended use.

**Contributions and donations**

Contributions and donations, including unconditional promises to give, are recognized in the period received or made, in accordance with FASB ASC 958-605 under the Revenue Recognition of Contributions Receivable topic.

**Developer fee revenue**

LaCasa earns developer fees primarily for orchestrating the financing and construction of low and moderate income housing, generally in its capacity as general partner or managing member of various real estate partnerships and limited liability companies. Fees are recognized based on completion of various phases of the property representing its performance obligations, as specified in the respective agreements. Certain fees are deferred and payable from the properties' future available operating cash flow. Generally accepted accounting principles require that an allowance should be established to reserve against balances determined to be uncollectible. However, the receivable balances are eliminated as intercompany transactions, and the difference is considered to not be material to the consolidated financial statements.

**Beneficial interest in assets**

The Corporation records periodic distributions of income and realizes changes in the market value of its beneficial interest as gains (losses) in the consolidated statements of activities.

**Advertising costs**

Advertising costs are expensed as incurred and are included in asset and property management in the consolidated statements of activities.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2025 AND 2024**

**Real estate taxes**

The Corporation is exempt from some, but not all, real estate taxes. For those properties that are required to pay real estate taxes, such taxes are expensed in the year of the lien on the property such that twelve months of expense are charged to operations each year.

**Functional allocation of expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited based upon direct expenditures incurred or based upon time spent in the activities. For the years ended December 31, 2025 and 2024, fundraising costs were insignificant to the consolidated financial statements as a whole.

**Concentration**

The Corporation maintains various cash balances with various regional and national financial institutions. The balances in the accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of December 31, 2025, the cash balances held at some of these financial institutions exceeded the FDIC insurance limit. The Corporation has not experienced any losses in such accounts. Management believes that LaCasa is not exposed to any significant credit risk on cash and cash equivalents.

The Corporation's operations are concentrated in the multifamily real estate market. In addition, the Corporation operates in a heavily regulated environment. The operations of the Corporation are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by the respective agency. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, if any, to comply with a change.

The Corporation has received grants from various government and nongovernmental agencies. The grants are contingent on periodic budget approvals, tax levies, and annual appropriations. For the years ended December 31, 2025 and 2024, the grants without donor restrictions were 60% and 41% of total revenue, respectively. At December 31, 2025 and 2024, approximately 96% and 90% of the Corporation's total net accounts receivable balance related to grants, respectively.

**Use of estimates in the preparation of consolidated financial statements**

The preparation of consolidated financial statements in conformity with accounting standards generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2025 AND 2024**

**Fair value**

The Corporation is subject to the provisions of the Fair Value Measurement topic of the FASB ASC 820-10 which provides guidance for assets and liabilities which are required to be measured at fair value and requires expanded disclosure for fair value measurement. The standard clarifies the principle that fair value should be based on the assumptions that market participants would use when pricing the asset or liability and establishes the following fair value hierarchy:

- Level 1 - Quoted prices in active markets for identical assets or liabilities
- Level 2 - Quoted prices for similar assets or liabilities in active markets
- Level 3 - Unobservable inputs for the asset or liability based on the best available information

For instances in which the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the fair value measurement will fall within the lowest level input that is significant to the fair value measurement in its entirety.

**Accounting for income taxes**

LaCasa is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income tax and has been classified as other than a private foundation. Accordingly, no provision for federal and state taxes on revenue and income has been recognized in the accompanying financial statements. Generally, the Federal and State tax returns are subject to examinations from the three years after the later of the original or extended due date or the date filed with the applicable tax authorities.

Even though LaCasa is recognized as tax exempt, it still may be liable for tax on its unrelated business income (UBI). LaCasa evaluates uncertain tax positions through its review of the sources of income to identify UBI and certain other matters, including those which may affect its tax exempt status. The effect of the uncertainty would be recorded if the outcome was considered probable and reasonably estimable. As of December 31, 2025 and 2024, LaCasa had no uncertain tax positions requiring accrual.

The Subsidiaries are treated as pass-through entities for income tax purposes and, as such, are not subject to income taxes. Rather, all items of taxable income, deductions and tax credits are passed through to and are reported by their owners on their respective income tax returns. These entities' federal tax statuses as pass-through entities are based on their legal status as limited partnerships and limited liability companies. Accordingly, these entities are not required to take any tax positions in order to qualify as pass-through entities. These entities are required to file and do file tax returns with the Internal Revenue Service and other taxing authorities. Accordingly, these consolidated financial statements do not reflect a provision for income taxes and these entities have no other tax positions which they must consider for disclosure. There has been no interest or penalties recognized in the consolidated statements of activities or consolidated statements of financial position for the years ended December 31, 2025 and 2024. Generally, the federal and state returns are subject to examination for three years after the later of the original or extended due date or the date filed with the applicable tax authorities.

The Corporation disbursed the fund to various companies and organizations in the surrounding rural areas (collectively, developers), and as required under the agreement, \$250,000 was repaid. **NOTE 9-BENEFICIAL INTEREST IN COMMUNITY FOUNDATION OF ELKHART COUNTY**

The Corporation transferred funds to the Community Foundation of Elkhart County (CFEC) in the amount of \$80,000, at cost.

Under the governing agreement for the fund, distributions are determined based on the spending formula adopted by the CFEC's board of directors. Net income in excess of the spending formula distributions, administrative fees and direct expenses will be maintained in each fund unless the Corporation requests a distribution of excess income. Losses in each fund are deducted from the fund balance. Control over the investment of the funds lies solely with CFEC.

The beneficial interest in CFEC is carried at fair value using Level 3 inputs in accordance with FASB Accounting Standards Codification related to fair value measurements, which is based upon the organization's interest in the underlying fair value of pooled investments purchased by CFEC, with the resulting realized and unrealized gain or losses reported in the consolidated statements of activities as change in beneficial interest.

With respect to contributions received by the CFEC on behalf of the LaCasa of Goshen, Inc. from other donors, as prescribed by generally accepted accounting principles, this portion of the Fund (fair value of \$112,939 and \$95,567 at December 31, 2025 and 2024, respectively) has not been reflected as part of the Corporation's beneficial interest.

During the years ended December 31, 2025 and 2024, the Corporation received distributions of \$5,019 and \$4,926, respectively, from the CFEC.

The CFEC invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the beneficial interest in each fund at the CFEC.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of  
LaCasa of Goshen, Inc. and Subsidiaries  
(An Indiana Not-for-Profit Corporation)

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of LaCasa of Goshen, Inc. and Subsidiaries, which comprise the statement of financial position as of December 31, 2025, and the related consolidated statements of activities, changes in net assets, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated March 25, 2026.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered LaCasa of Goshen, Inc. and Subsidiaries' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of LaCasa of Goshen, Inc. and Subsidiaries' internal control. Accordingly, we do not express an opinion on the effectiveness of LaCasa of Goshen, Inc. and Subsidiaries' internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether LaCasa of Goshen, Inc. and Subsidiaries' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of  
LaCasa of Goshen, Inc. and Subsidiaries  
(An Indiana Not-for-Profit Corporation)

### **Report on Compliance for Each Major Federal Program**

#### **Opinion on Each Major Federal Program**

We have audited LaCasa of Goshen, Inc. and Subsidiaries' compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of LaCasa of Goshen, Inc. and Subsidiaries' major federal programs for the year ended December 31, 2025. LaCasa of Goshen, Inc. and Subsidiaries' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, LaCasa of Goshen, Inc. and Subsidiaries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2025.

#### **Basis for Opinion on Each Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200 *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of LaCasa of Goshen, Inc. and Subsidiaries and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of LaCasa of Goshen, Inc. and Subsidiaries' compliance with the compliance requirements referred to above.

#### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to LaCasa of Goshen, Inc. and Subsidiaries' federal programs.

### **Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on LaCasa of Goshen, Inc. and Subsidiaries' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about LaCasa of Goshen, Inc. and Subsidiaries' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding LaCasa of Goshen, Inc. and Subsidiaries' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of LaCasa of Goshen, Inc. and Subsidiaries' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of LaCasa of Goshen, Inc. and Subsidiaries' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control Over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

**Purpose of This Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
